MISSIONARIES TO INDONESIA

Hello Dear Friends and Fellow Laborers,

Month: April 2021

The year is flying by. We are already one quarter down, and three to go! A quick overview of our year begins with having gotten married in January and getting snowed-in in Texas! However, there were several other things that happened I would love to share with you now, and to begin we want to tell that eleven churches have voted to take us on for support this quarter! Praise the LORD we are getting closer to Indonesia every day!

God has been very, very good to us. One of our concerns when getting married was obviously finances. Everyone is concerned with finances, but neither Gina nor myself work a regular job. We travel on deputation full-time, trusting God to provide our needs as we go. God has relieved our concerns and used you, and others like you to provide for our needs. We have even been able to start saving up for our set-up fund (to buy tickets, move to Indonesia, acquire a home, vehicles, and furniture.). We thank God for providing over and above all we could think or even ask!

God has not just been working to provide for our needs, but He has also been working in the lives of those with whom we have come in contact! At one church there was a man God had been dealing with about preaching His Word to His people. While we were at his church, he finally surrendered to God's will for his life! Please pray for Bro. Gary as he follows after God! Pray that God would continue to lead and bless both him and his wife.

We thank you for your prayers and support! We hope and pray that God would bless you as you have blessed us! Would you continue to pray that God would keep us safe as we travel the roads on deputation, and that He would continue to bring us in contact with those whom we can be a blessing to, and that He would continue to raise our support level so that we may reach Indonesia with the Gospel of our Lord and Savior Jesus Christ?

With love in our hearts,

In service to The King,

Jens & Gina Looney
